Pope acting as U.S. Military Commander in Chief (Court of Ages acts to counter)

September 28, 2015 theunhivedmind

Pope Francis has assumed command of the U.S. military and the people unknowingly consent. Those who are awake and aware counter this action.

Pope Francis Declares War On Obama Via Attorney

Pope Francis Apostolic Letter

Pope, through his private attorney, claims civil authority over the United States of America

Order Nullifying the Office of Pontiff

Court of Ages

Pope Francis Declares War On Obama Via Attorney July 4th 2014

Issued to All Members of the Domestic Police Forces, US Marshals Service, the Provost Marshal, Members of the American Bar Association and the American Armed Services.

These organic American states of the Union known as The United States of America (major) exercising plenary civil power upon the land hereby appoint General Carter F. Ham to lead and command The Grand Army of the Republic (GAR) and its successors under the guidance of the Joint Chiefs of Staff and with their full support.

Should it become necessary to suppress commercial mercenary forces operating under the guise of being federal government agencies including but not limited to the Department of Homeland Security, the Federal Emergency Management Administration, the Internal Revenue Service, the Bureau of Alcohol, Tobacco and Firearms, etc., General Ham shall assume immediate command and control of all armed forces and services owed to The United States of America (major) stationed in North America and shall join them under his
Command as The Grand Army of the Republic. All forces of air, land, and sea are to be employed.

Any cost or loss suffered as a result of deployment of The Grand Army of the Republic shall be charged as stipulated prior.

All effort shall be made by The Grand Army of the Republic to spare life and property while undertaking any action whatsoever within the states of the Union without exception. The GAR is uniquely enabled by these Orders to operate on the land of the fifty (50) organic states for the purposes of securing the lives and property of the American States and American State Citizens. The GAR is not a foreign army and is composed primarily of American State Citizens.

If required to take field position, the local commanders shall make every effort to communicate the basis of their authority and the reasons for their presence on American State soil to ensure a prompt cessation of hostilities and a widespread understanding of the usurpations and acts of fraud which have led to any conflict. All parties must be brought to understand the nature of the federal government, the limitations of its authority, and their own obligation to act in favor of the organic states of the Union. The Grand Army of the Republic shall continue to operate under General Order 100 known as the Lieber Code, extant from the pen of the last Republic President, Abraham Lincoln.

No orders, Executive or otherwise, issued by Barack H. Obama pretending authority on the land of the American States while operating as “President” of the UNITED STATES Corporation nor as the “President” of the United States of America (minor) are owed any performance by the Joint Chiefs of Staff, General Ham, or any Ordinary. All plainly stated grants of contractual authority evident in The Constitution for the united States of America remain in place, subject to good faith performance of the accompanying obligations and treaties.

Mr. Obama is the “President” of a governmental services corporation under contract to provide stipulated services to the organic states and is on their payroll. He otherwise acts as a foreign dignitary representing the United States of America (minor). In neither of these capacities is he allowed any granted authority to impose upon American State Citizens, endanger American State property, or command mercenary forces on American State soil — however veiled as federal civilian service agencies. We require the Joint Chiefs of Staff and General Ham to commence measures to disarm federal civilian agency personnel and to seize control of the vast stockpiles of arms which have been improperly amassed by “the Department of Homeland Security”, FEMA, and other agencies employed by the UNITED STATES.

The only federal agency allowed free egress on the land of the American States is the U.S. Marshals Service, and then only when their personnel are engaged in their duty to protect the U.S. Mail and sworn to act as constitutional officers. All other federal agency personnel are limited to unarmed service until further notice.

We direct the Joint Chiefs of Staff to communicate these first two General Civil Orders directly to Mr. Obama, the members of the “US Congress”, the administrators of all “federal” agencies, the members of the “Supreme Court” and those acting as “Governors” to compel their rapid understanding and cooperation.
Any expense or damage incurred by these organic states or any American State Citizen as a result of actions undertaken by any federal agency personnel acting as armed mercenaries on American State soil will be understood as the result of violent crimes committed against the peaceful inhabitants of the land and will incur immediate judgment liquidating the assets of the International Monetary Fund (IMF) and the Federal Reserve (FEDERAL RESERVE) in payment of the stipulated reparations. Such crimes shall also be considered contract default increasing the public debt subject to bounty.

Any and all corporate officers of the UNITED STATES or any successor organization(s) inheriting “federal” service contracts who support, condone, or promote such crimes against the American States or against American State Citizens shall be subject to arrest and prosecution for commercial and violent crimes. All foreign officials operating as elected or appointed officials of the United States of America (minor) who support, condone, or promote such crimes against the American States or against American State Citizens shall be subject to arrest, confiscation of their assets, and deportation to Puerto Rico, Guam, or such other “states” as may be willing to receive them.

Such “foreign officials” include members of the American and British Bar Associations who were licensed to act as privateers against the interests of the American States and the American State Citizens from 1845 to 2013 in flagrant Breach of Trust. All such licenses are now extinguished. Members of the Bar Associations are required to cease and desist assaults against the American States and American State Citizens and shall be subject to arrest, confiscation, and deportation otherwise.

Insomuch as corporate officers operating the United States of America, Incorporated, and the UNITED STATES have contrived under conditions of fraud and semantic deceit to re-venue the estates of the American States and living American State Citizens to the foreign jurisdiction of the United States of America (minor) they are found guilty of capital crimes, including acts of fraud and treason committed between 1933 and 1945, and are condemned posthumously. Insomuch as elected officials operating the United States of America (minor) have similarly committed war crimes against the American States and their peaceful inhabitants during the same time period, they stand condemned posthumously.

No enforcement upon any American State or American State Citizen is owed as a result of any “Act” of any “Congress” operating as the sovereign government of the United States of America (minor) nor as the Board of Directors or Board of Trustees of any incorporated entity whatsoever.

All those (E)states and ESTATES erroneously believed to represent the American States and American State Citizens and which were conveyed by fraud and legal deceit to the United States of America (minor) and more recently to the City-State of the United Nations, are re-venued without exception to the geographically defined American States and the American State Citizens where they shall remain in perpetuity as assets belonging to the rightful and lawful beneficiaries.

All legal fiction entities however structured and named after the American States and American State Citizens are returned to them and their control, free and clear of any debt, promise, encumbrance or obligation alleged against them as a result of false claims made “in their behalf” by officers of the United States of America, Inc. and the UNITED STATES, INC. or by any foreign officials operating the United States of America (minor), or the United Nations City State falsely claiming to “represent” them or have jurisdiction over them.
We note that the current circumstance is in part the result of criminal acts engaged in 150 years ago, which resulted in the commercial enslavement of African Americans who were summarily claimed as chattels backing “US government” debt in the wake of the Civil War. Despite every act of abolition and declaration of prohibition against both peonage and slavery, it has been the policy of the “US government” to enslave its citizens and to operate as a rogue state among the nations of the world. Instead of freeing African Americans the sum total result of the Civil War was to vastly expand public sector ownership of slaves, giving rise to the outrageous and improper claims that have been made against the American States and the American State Citizens that we are dealing with today. It is uniquely fitting that The Grand Army of the Republic is recalled to settle this circumstance in favor of the people.

Do you agree that Obama has been part of the destruction of the United States since he’s been in office and he serves the agenda of New Venice? Do you agree that Obama is trying to bring about a World War III for New Venice? Don’t you think Obama should be removed from office along with most officials who’re corrupt and serve New Venice aka Britain and Israel? Let’s get one thing clear, the anti-Pope serves New Venice and he’s a puppet like Bush, Merkel and Obama to the puppet master Hans Joachim Schellnhuber a Honorary Commander of the Most Excellent Order of the British Empire. Schellnhuber serves Grandmaster Prince Philip of the House of Windsor. So if Obama was toppled by forces of a Republic it wouldn’t be under the anti-Pope who’s powers come out of New Venice. If there is some kind of group ready to take over the lands of America for the greater good then we may have a cointelpro campaign going on to try and discourage people from accepting such an action by believing the anti-Pope is behind it all.

The Venetian power continuum (New Venice/Britain) has done a great number on the Vatican from both the outside and the inside since the Renaissance. The Vatican has been defeated for a very long time and the final icing on the cake was back in 1963 with the Second Vatican Council which coincided with the Knights of Malta forming an alliance. The Jesuits are nothing more than a Venetian organization who have no where near the power they once had including the so-called Black Pope who’s just a Superior General in today’s world. Jesuits have been used by The Ancient and their Black International to create societies and cultures just like the mind benders of the Venetian Arsenal controlling all the social engineering.

Please look at the bloodlines of modern popes, anti-popes and Superior Generals and none of them have any powerful scion that comes close to the likes of Queen Elizabeth II, Princess Diana and other high-end Nobility. When you understand that the blood is inferior in most of today’s so-called power positions then you come to realize where the power lies. Take a look at the bloodline of Prince William’s child and see for yourself as he has Sforza, Medici, Spencer, Windsor, Goldschmidt and a lot more in his veins. Now please go and look at the mongrel blood of Jorge Borgoglio the so-called Pope and Adolfo Nicolas SJ then come back and tell me who do you
think is more important? Hasn’t Adolfo Nicholas resigned already as Superior General since allegations went out against him over child abuses etc just the same as Ratzinger? Think about it, do you see the Royals wearing brown shirts for the Nazis or any other military like Ratzinger? Do you see Royals working for a corporation like anti-pope John Paul II with IG Farben? These people are almost commoners! The answers are right in front of us all and it all leads back to the Renaissance initial destruction of Venice and then the Venetian revenge agenda that has plagued us ever since.

If an American thinks Homeland Security is a great addition to have and they enjoy the Nazi run United States then they deserve to go down like the rest of them. Anyone who removes Homeland Security and similar from the American lands should be supported and even if a real Pope was behind it then it should still be supported. Whilst American protestants (pawns of Venice) [Note that even Martin Luther warned about the Jews] attack Catholicism all day long they instead worship the tyranny of the Zionist and continue the games of the Talmudist Cabbalists and their Greater Israel. Once you study what the Synagogue of Satan is all about then you can see right through their games of pitting us against ourselves. I would rather have a Catholic beside me than a Talmudic paedophile devil. Before you say Catholic priests are paedophiles I suggest you get over the exposures of a few men who’ve been used as Zionist media pawns and instead focus on the paedophile teachings of the Talmud. You won’t find a Catholic Bible, Papal Bull or Encyclical that promotes paedophilia like you do with the Devil’s tribe. Forget the divisions and instead unite against the real enemy and see them for what they really are.

Who has been expelled from nation after nations just like the Jesuits who this group created in 1541? The Jews! Who destroyed Bismarck’s Germany and completed the job in the most evil of ways by the end of World War II? Jews and New Venice! We have to start thinking more clearer than the divisions that have been given to us by New Venice and the alternative media. Study history properly, study the religious texts of the Jews and their controlling mind frame. I’d rather have a Latin Vulgate than the vile spew of the Talmud or Zohar wouldn’t you? Why you worrying about a Latin Vulgate Bible against a King James Version and falling into the trap of the Venetian power? Whether or not Catholicism is the original Christianity is almost irrelevant and time consuming when the real enemy is Judaism and its Devil’s Messiah agenda. I hope you can see a bit more clearly how I believe we’ve all been manipulated and how its even been done through the alternative media. A Catholic neighbour has more in common with a Protestant then either with a Jew who detests Jesus and the goyim. Think about it! Jews are pitting us all against each other and also against their own fronts to empower themselves and the sympathy which has led to the censorship and suppressions of today. We’re dealing with some seriously evil devils who’ve now mixed their scions into most of our powers (Windsor [Goldschmidt], Pallavicini [Rothschild]). I say to you don’t trust anybody but certainly don’t trust the tribe. I was a big anti-Catholic after being somewhat radicalised by Phelps which enslaved me in another level of the web which was the Venetian deceit. I’ve risen out of that prison and now I can see more clearly the enemies and fronts. Learn from your mistakes like I try to do over time.

Veritas Aequitas

September 28, 2015 at 10:37 am

Looks like you’ve gone full shill for Tarpley/VeteransToday with your hatred of Jews and your lying about the absolute power of the Jesuit Order, which was not started by religious Jews. The Jesuits thoroughly destroyed monarchism with their Second Thirty Years War and QEII is subservient to the more powerful Bourbons anyways via the most prestigious Order of the Golden Fleece.

To see just how prestigious this Order is, let’s observe its long list of currently living nobility members:

Current living members of Spanish Order of the Golden Fleece:

The King of Spain (1981) – Sovereign of the Order since 2014 after his father abdicated his rights to him.

King Juan Carlos I of Spain (1941)

The Duke of Calabria (1964)
King Constantine II of Greece (1964)  
The King of Sweden (1983)  
Grand Duke Jean of Luxembourg (1983)  
The Emperor of Japan (1985)  
Princess Beatrix of the Netherlands (1985)  
The Queen of Denmark (1985)  
The Queen of the United Kingdom and the Commonwealth Realms (1988)  
King Albert II of Belgium (1994)  
The King of Norway (1995)  
The King of Thailand (2006)  
The Grand Duke of Luxembourg (2007)[10]  
Javier Solana (2010)[11]  
Víctor García de la Concha (2010)[12]  
Enrique Valentín Iglesias García (2014)[14]  
Current living members of the Austrian Order of the Golden Fleece:  
Archduke Joseph Arpád of Austria (1960)  
The Duke of Bavaria (1960)  
Count Johann Larisch of Moennich (1960)  
Archduke Karl of Austria (1960)[clarification needed] – Sovereign of the Order since 2000  
Archduke Andreas Salvator of Austria, Prince of Tuscany (1961)  
Archduke Karl Salvator of Austria, Prince of Tuscany (1961)  
Prince Lorenz of Belgium, Archduke of Austria-Este (1961)  
Archduke Michael Koloman of Austria (1961)
Archduke Michael Salvator of Austria, Prince of Tuscany (1961)
Archduke Georg of Austria (1961)
Archduke Carl Christian of Austria (1961)
Archduke Joseph of Austria (1961)
King Albert II of Belgium (1961)
Grand Duke Jean of Luxembourg (1961)
Prince Albrecht of Hohenberg (1961)
The Duke of Württemberg (1961)
The Prince of Lobkowicz (1961)
Count Johann of Hoyos-Sprinzenstein (1961)
The Prince of Liechtenstein (1961)
Prince Clemens of Altenburg (1961)
The Duke of Braganza (1961)
Count Joseph of Neipperg (1961)
The Duke of Hohenberg (1961)
The Prince of Schwarzenberg (1961)
Archduke Joseph of Austria (1961)
The Prince of Löwenstein-Wertheim-Rosenberg (1961)
Count Gottfried of Czernin of Chudenitz (1961)
The Prince of Orsini-Rosenberg (1961)
The Prince of Windisch-Grätz (1961)
Olivier, Count of Ormesson (1961)
Baron Johann Friedrich of Solemacher-Antweiler (1961)
Baron Nicolas Adamovich de Csepin (1961)
Count Alexander of Pachta-Reyhofen (1961) – Chancellor of the Order
Moreover, it is quite clear that the most powerful Jewish policy group in the USA is the Jewish Institute for National Security Affairs (JINSA) and its advisory board chairman is a Georgetown Jesuit-trained man, David P. Steinmann. This and other think tanks like American Foreign Policy Council (AFPC) are the ones that people don’t hear about and for good reason: because of their obvious ties to Georgetown University and other AJCU institutions or covertly Jesuit-controlled schools like UPenn. Richard T. McCormack, Paula J. Dobriansky, and Robert Joseph are all Jesuit-trained and there is not one person on the AFPC’s advisory board who is not somehow connected with the Papacy/Jesuits.

I valued your work on the Templar military Orders in Spain as well as your investigations into nobility bloodlines, but if your hostility and bigotry towards Jews continues, you will be entering the ranks of disinformative racists like David Duke, Michael Collins Piper, and dare I say scam artists Michael Henry Dunn and the “Prince of Thieves” Matthew Greene as far as I am concerned. I caution you to tread carefully and examine these issues closely in order to avoid being perceived as such. Yes, there exist Sabbatean Jews who are in places of power, but they pledge their allegiance to Rome and this goes back to the year 1786 in Frankfurt with the alliance forged between the Jesuits/Weishaupt, Rothschild and Jacob Frank. The Illuminati deign is such that it was intended to scapegoat Jews and your recent writings have been playing into that Jesuitical design. The pro-fascist Jesuit general Ledochowski endorsed and disseminated this same anti-Jewish subterfuge, which ended up leading to the holocaust. Check out David Kertzer’s latest book which draws upon documents from the Vatican archive for the details on that. I personally will always defend patriotic Jews and their right to an autonomous state in Palestine while condemning the Sabbatean hofjuden.

Also, opposing the Vatican/Jesuit system of indoctrination is not analogous to anti-Catholicism which implies hatred towards individual Catholics. I do not hate individual Catholics and in fact I just picked up a book written by the late Roman Catholic nobleman Plinio Correa de Oliveira which I am very interested to read.
It's time people start to realize that the Vatican and Catholicism are dead just like Protestants and both were pawns for the greater Venetian conspiracy. The Jesuit Order was never on the side of the Vatican and the Church, the Jesuits were an infiltration unit out to take over and destroy Catholicism from day one. The Jesuits increased the speed of the destruction of the Vatican from 1776 onwards especially when the Vatican was stupid enough to take them back on in 1814. Both the Jesuits and their Satanic Venetian puppet masters have never cared for Catholicism and instead they've used the religion as a front for domination and revenge over the Renaissance. We have to face facts and see what's really happening in front of our very eyes. It's time to expose these devils who follow the Talmud and Zohar. Anyone who believes they're Christian and supports the tribe needs their head reading. We're seeing the destruction of all our peoples, nations and way of life and it has to end, the devils have to be exposed and all us white, black, oriental and asians need to unite and remove the problem. I'm sorry but I'm not being hoodwinked any longer and I'll expose both the Jesuits, Sabbos Goyim and the Zionists. You cannot deny the position of black pope is no more and has been for a very long time now especially since the 1940s. You cannot deny that the anti-Popes have no scion of any worth and the same with the Superior Generals. Now all these front positions have served their purpose they no longer need power within the ranks. The Jesuits themselves run the Jesuit Order from within the Provincial and education powers making up the Jesuit Conferences, the Superior General is merely their continuum of a now front man. These are facts that cannot be denied! I might also remind people it's not okay to promote old quotes by the Superior General claiming he rules the world when that quote comes from 1720 a long time before even the Pope almost destroyed the entire order in 1773. Times change and many power positions changed along with new alliances. Even the Zionists push exposures and so-called hate against their own in order to further their agenda. I've never believed in the holocaust aka holohoax and I've listened to the best scholars on the subject and no one will ever push those Zionist lies on me or my website. It's time the truth came out and this site has always been about attempting to look at different angles and more than one angle. I'd ignored the Zionist angle for far too long because I fell for the Venetian scam. The truth shall set you free and if you want to align with followers of the Talmud then feel free. Was the old true Vatican all good? No! Rest assured the Synagogue of Satan have never been any better and I believe they've always made the Catholic Church look like a picnic. Whilst anti-Vatican folk throw old quotes around, hows about all the old and modern quotes by officials and even the tribe about the tribe's antics. Both the Jesuits, Synagogue and Sabbos Goyim are all evil and all of them must be exposed. Whilst writing this reply I had Kay Griggs comment come into mind where she said she believed the Zionists had overtaken the Jesuits in power. If only Kay understood how it all comes together when we hit the subject of Venice and Samaria. Everything about the Synagogue of Satan is pure evil!

This so-called Venetian conspiracy has been propagated by Webster Tarpley who is invested in protecting the name of the Roman Catholic Institution due to him having has a conflict of interest stemming from his presumable adherence to Catholicism compounded by his studies in Italy followed by his doctoral degree of propagandism from the Catholic University of America. Correct me if I am wrong but I don't believe Tarpley has ever spoken
against Vatican II, unlike Plinio Correa de Oliveira. In fact, Tarpley glorifies Giovanni Montini/Pope Paul VI who was one of the Popes under which Vatican II took place. Tarpley baselessly attributes the Protestant Reformation to “Venetians.” He talks negatively about pre-Reformers like John Wycliff. He also says the Jesuits were created by Venetians because of the role that a Cardinal of Venetian descent played in influencing the Pope to commission the Order. Be that as it may, the Jesuits sided with the Papacy against Venice under Pope Paul V along with the Theatines and the Capuchins and the Order’s creation as you know was also aided by Francis Borgia, with the Borgias being tied in with the Farnese and this Borgia-Farnese scion being represented in the modern age by the House of Bourbon. Those are families that the Jesuits at times were loyal to, but today as the power of the Jesuits has grown so tremendously and as monarchical powers have declined, the Bourbons are undoubtedly subordinate to the Jesuits (as are the Venetian nobles); this being evidenced by the Jesuit instruction received by King Felipe VI at Georgetown. Also, when this Venetian, Gasparo Contarini influenced the Pope to commission the Jesuits, I am sure that he was in consultation with fellow clergymen, so it was not as if it was solely this Contarini behind the Society of Jesus, rather he was involved in a consensus among high Roman Catholic clergy who are the ones to elect the Pope, like how the high Jesuits elect their Superior General. Also as mentioned, the Borgias were involved who were not tied to Venice. It is the Jesuits who are devising the false flags through their Knights of Malta in the CIA and carrying them out through their control of local municipalities via their Jesuit-trained and/or Pontifical Knights like Joseph Riley, Terry McAuliffe and David Bowers; not some obscure Venetian noble. There are three Jesuitized Roman Catholics who have called for gun control in America in the last three months, and zero Venetians. I acknowledge the Venetians have big investments and control some banking, but again we have to emphasize who controls the intelligence, and that is the Jesuits, as CIA agent E. Howard Hunt rightly said. So the Jesuits control intelligence, education and by extension, politics and government. I know this is how it is in the USA at least. There are so many Catholic and Jesuit Universities in this country it is outrageous and they’ve infiltrated all the Ivy League schools of which some started out as Protestant, largely through their secret fraternity networks like Skull and Bones. Then look to the Sunni Middle East where can be seen the influence of the House of Saud whose members and associates have also received Jesuit instruction from Georgetown and one of them, Turki bin Faisal Al Saud, headed the Saudi Intelligence agency Al Mukhabarat Al A’amah until just days before September 11, 2001, in which fourteen Saudi nationals were accused of hijacking American airliners. One of these Jesuit-trained Saudis, Mohammed bin Nawwaf bin Abdulaziz Al Saud, also served as ambassador to the UK and yet another, Adel bin Ahmed Al-Jubeir, is the Minister of Foreign Affairs of Saudi Arabia and had been the foreign policy adviser to King Abdullah. So the Georgetown influence reaches far across the globe, from Spain to Jordan to Saudi Arabia to the Philippines to Costa Rica and everywhere in between through the huge Georgetown-trained foreign ambassador network.

“Talmudic Judaism” is not Judaism akin to how “Catholic Christianity” is not Christian. The same goes for “Zoharic Judaism” which is also not Judaism. This is why we should support true Torah/Messianic Jews and their Biblical right to Israel. The Sabbateans and Talmudists do not deserve Israel and it was only by Sabbatean collaboration with the Nazis through the Labor Zionist front which was the pretext for the creation of Israel. Therefore, for this reason it is vital that we do not deny the holocaust and quite frankly doing so is absurd anyways, for there is overwhelming evidence that the holocaust took place. Denying the holocaust is to deny the Labor Zionist collaboration with the Nazis as told in important works like “The Transfer Agreement” and “Perfidy” and by extension doing so ignores the Jesuit influence behind both parties. Now, did the holocaust claim as many lives as mainstream history says
it did? That I think is debatable and I personally do not believe that 6,000,000 Jews were killed; however that has had no bearing on the outcome of the situation.

While I agree that the Provincial Jesuits and institutional Jesuits have much power within the Order, I take some issue with your assertion that the Black Pope has no power. It was Pedro Arrupe who was made Superior General for his role in the atomic detonations in Japan and it was Kolvenbach who was made Superior General for engineering the Lebanese Civil War and bringing its leadership under control of the Jesuits at Saint Joseph University in Beirut. The Superior General may be somewhat of a figurehead toady, but I question if that is really true as we have witnessed the resignation of a Black Pope, Kolvenbach, for the first time ever besides when Arrupe did for health reasons. Kolvenbach is an expert of the Middle East, Adolfo Nicolas is an expert of the Far East and Jesuit Pope Francis is an expert of Latin America. I believe it is possible that they will need to work in concert at the highest levels to orchestrate the incoming Third World War which I also believe is part of the Jesuits' Third Thirty Years war which was termed as such by Dick Cheney.

September 30, 2015 at 6:48 am

I'm only going to address the tribe's holohoax and to do that I give just five links which help destroy the lies of the Zionists. I'd rather listen to Ernst Zundel and Ursula Haverbeck who were actually there in Germany during World War II and who speak the truth and because of that Zundel spent many years of his life in a jail cell and Haverbeck is threatened with the same. Then we have David Irving a real scholar who actually does all his own original research including sourcing documents etc and thus he copies no one and he comes to the same conclusions. What happened to Irving? He was jailed for telling the truth on this subject. Think further out of the box because the tribe are controlling the minds of the gullible. Whilst you attack Tarpley you ignore all the real history and wisdoms he's given out that are verified. No one is perfect and I don’t agree with everything Tarpley does such as his somewhat hatred of China today which Is folly when we know the truth about the BRICS and how China are working with the Promethean powers to bring in a better world. I’d rather have Xi Jinping as my leader than Obama, Merkel, Hollande, Cameron or any other European so-called leaders. So if you think Phelps is so great I can go through his faults such as promoting Israel not to mention how he believes in the Holocaust official conspiracy story and religion. Each one of these people have faults but I try to take the meat and run with that whilst understanding the various agendas some of these people have. So we come to LaRouche, he has a geniuses mind, he has a lot of truth but he will speak of a lot of third truth talk as if it was real like the media would like you to think and he will sometimes ignore some deeper issues. I think I understand LaRouche’s mind a bit and he has a goal and he knows how to approach it and quite frankly right now it’s working. So take the meat of the few of worth and then connect the dots even further without being stuck in the web of diversions and deceit. Show me a Jew who doesn’t have a Talmud as well as a Torah. Orthodox Jews are just as evil as Talmudic Jews and I advise you to be careful of all the forms of Jew instead of being over paranoid about Catholics. Do I have to remind you what Martin Luther quoted about the evils of the Jews and who he was? I think my case is made.

Come on, these people you linked to are neo-Nazi wackos that glorify Hitler. One of them even thinks Hitler is alive in Antarctica and controls an army of flying saucers! HA! Again, I’m not saying I believe every word of official holocaust narratives but these people are straight up crazy and have been caught lying, spreading disinformation and espousing Nazi ideology. If you want to make an argument as to why you believe a holocaust did not happen at all, feel free to and I will examine your argument, but I am not going to subject myself to loss of brain cells by watching those videos.

Look, I don’t doubt that Tarpley has said some correct things but when considering that he makes appearances on The Alex Jones Show, one knows that his information is not a major threat to the powers that be and the number one reason why is because he discounts the Jesuits. I don’t endorse Eric Phelps’ white supremacy or some of his other views, but the history he gives is what is so dangerous and is why he would never be on The Alex Jones Show. Phelps’ views on Israel and Christianity are sound in my opinion and I respect those who live their life by the Bible.

Many Messianic Jews out-rightly reject the Talmud or elements of it!

“There are congregations which believe that adherence to the Oral Law, as encompassed by the Talmud, is against Messianic beliefs.[85] Similarly, there are congregations which deny the authority of the Pharisees, believing that they were superseded, and their teachings contradicted, by Messianism.[86] There are adherents which call rabbinic commentaries such as the Mishnah and the Talmud “dangerous”,[86] and state that followers of rabbinic and halakhic explanations and commentaries are not believers in Jesus as the Messiah.[86][87] Other congregations are selective in their applications of Talmudic law, and may believe that the rabbinic commentaries such as the Mishnah and the Talmud, while historically informative and useful in understanding tradition, are not normative and may not be followed where they differ from the New Testament.”

Step away from generalized hate towards entire groups of people especially towards Jews based on antisemetic canards. Like I said, I do not hate individual Catholics, and likewise even the satanic Jews who practice Kabbalah or Talmud I do not hate, although I condemn their practices and racist ideologies. I find it’s best not to hate the worldly person, but instead to hate their beliefs.

Eric Phelps proves beyond reasonable doubt by the way that Luther never wrote “On the Jews and their Lies.”

This comment is totally unacceptable and I don’t know if you’re aware of my policy on this website. I don’t run this website to give people a voice outside my voice. This website has fixed goals decided by myself and I will not steer away from those goals and I will not allow confusion and disinformation to upset the flow. I will not be bothering to address the kind of message you’ve left because quite frankly I don’t want to waste my time because you have a mindset which I believe is still stuck deep within the spider’s webbing. So what is the point in me wasting my precious life-force and time when I will have no effect until something in the future sparks a change if at all. The only reason I show your message is for others to see what kind of mindsets are out there in the webbing and I’m sure they will see exactly what’s being highlighted. Please do not comment on this website again because I will not allow any to get through. I’ve been where you are in mindset and I’ve moved on and learned from some of those errors. I’ve got no intention of aiding the tribe and their sabbos Goyim. I had a similar problem with someone who constantly attacked Putin and I will not put up with it.

Veritas Aequitas

October 1, 2015 at 12:20 am

I typed out a comment but you censored it. I am dissociating myself from this website. You are never going to go anywhere peddling this ludicrous antsemetism. No one even visits here now so have fun writing and posting to yourself.

October 1, 2015 at 7:10 am

You’ll find your message is present if you look above your last abusive message. I would rather you disassociate from this website because your comments outside of my new teachings aren’t welcome here and I will not tolerate disinformation and/or mixed confusion. My site viewings are doing just fine thank you very much and thus I don’t know where you get the idea that my site is ignored? Oh you think because only a handful of people comment on here that this must mean that my site is ignored and has no viewers? Well first of all I’ve not allowed any new members on this particular third UHM news site and this has been the case a very long time. My other sites do not allow any members at all and haven’t for a long time and thus no one can sign up. Why? I’ve not wanted a lot of mostly useless comments and I’ve certainly been protecting the site from the typical disinformation, argumentative and useless comments which are similar to your actions. So my site is doing just fine thank you and I run a tight ship. I can assure you that your actions have made sure I will not be opening up any further new websites to any comments or memberships from anyone. This is not a forum it is a blog site to follow my views and news helping others to understand my views and global politics. Those who wish to learn are welcome to this site in order to view the website.

Don’t forget Windsor also have the blood of BORGIA through the House of Este.
There’s also the Orisini-Bernheim marriage. “Antoine Bernheim was one of the great bankers of our time,” Kenneth Jacobs and Bruno Roger, heads of Lazard in the United States and France respectively, told employees in an internal memo. “As a firm, we owe a great debt to him.”

When I traced the line of Olimpia Aldobrandini she is descended from centuries of powerful nobility. I have lost the site I used, but it showed me once again evidence of so called zionist family merging with European nobility that existed centuries before zionism came into fruition.

What about the Warburg’s? They are Venetian descendants of the del Banco family, wouldn’t they be right near the top of the pyramid in this Venetian system?

**September 29, 2015 at 2:12 am**

There’s no doubt that the Warburgs’s are an extreme power player and right now they control a lot of the Internet which has become a power part of global infrastructure as well as communication. The Warburg’s have enslaved all us for a very long time and it has to stop. We need a truly independent system to compete and destroy the Warburg system which right now is actually bankrupt and on the run. We have to hope that the Prometheans can keep these Zeusian/Kronos devious devils out of their new system. No matter how well you create a non-corrupt system, these devils will try to infiltrate and destroy that system as we’ve seen with the American Republic since 1871. We have to support President Putin and Xi Jinping as right now they’re our only hope and they have the muscle to back themselves up unlike other Prometheans like Qaddafi and Saddam etc. We have to see things more clearer and with common sense rather than the initial gatekeeper minds of the herd or the common indoctrinated alternative media. We have to eat the meat and spit out the bones. It hurts people when their belief systems are exposed especially when they thought they were closer to the truth.
